Portfolio: <https://ajithportfolioki787.netlify.app/>

OBJECTIVE

Aspiring MERN Stack developer with foundational skills in MongoDB, Express.js, React.js, and Node.js, eager to contribute to web development projects. Seeking opportunities to apply and enhance expertise in both front-end and back-end technologies, while continuously learning and growing within the industry.

EDUCATION

BENGALURU INSTITUTE OF TECHNOLOGY

Master of Computer Applications (MCA)
Cumulative GPA: 7.00/10.0;

Bengaluru, KARNATAKA
June 2021- September 2023

SESHADRIPURAM ACADEMY OF BUSINESS STUDIES

Bachelor of Computer Applications (BCA)
Cumulative GPA: 7.6/10.0;

Bengaluru, KARNATAKA
May 2017 - Jul 2020

SKILLS

MERN Stack Developer: Basic proficiency in MongoDB, Express.js, React.js, and Node.js for building web applications.
Redux Toolkit: Basic understanding of efficient global state management for React applications.
REST API: Basic familiarity with RESTful API concepts.
Version Control: Basic proficiency in Git and GitHub.
Postman: Familiarity with API testing and debugging.
Render: Experience in deploying and hosting web applications.

UNIVERSITY PROJECTS

SGPA Calculator

June 2023

- Developed a web application titled "SGPA Calculator" using the MERN stack (MongoDB, Express.js, React.js, Node.js) to streamline the process of calculating Semester Grade Point Averages (SGPA).
- Enabled students to input their marks online, facilitating instant SGPA calculation and eliminating the need for manual calculations in Excel sheets.
- Resulted in improved efficiency, time savings, and enhanced data management for students and staff involved in academic assessment processes.

PERSONAL PROJECTS

MERN Authentication

January 2024

- Implemented "MERN Authentication Project" demonstrating adeptness in creating secure full-stack apps with user registration, login, and profile management features.
- Utilized Redux Toolkit and React Router for efficient state management and navigation, while JWTs ensured secure authentication.
- Integrated Firebase Storage for storing user profile pictures, enhancing user experience, and utilized Tailwind CSS for stylish design.

MORE PROJECT LIKE – CRUD application (MERN), Todo application (MERN)

ADDITIONAL

Technical Skills: HTML/CSS/ JavaScript; Tailwind CSS

Languages: Tamil, Kannada and English

Certifications & Training: Full Stack Development using React JS & Firebase from TechieAid
